Mary Wade Gives Thanks

All of us at Mary Wade wish you and your family a very Happy Thanksgiving. We are blest to have you as a member of our community.

Our Dietary Department is planning a special Thanksgiving menu for our residents on Thanksgiving Day.

Boardman Residence Families: please let the [Director](#) know if you plan to take a resident out for the Holiday

Resilience Skills - A Workshop

Lorri Danzig has taught resilience building skills for many years. Her new memoir *My Father The Fish: Rendering Life's Hardships Spiritual* has opened up a fresh approach on the topic. Reading short excerpts from the book in the context of a skills-building workshop, Danzig demonstrates what it looks like to use resilience-building skills in real life situations. The workshop at Mary Wade on **Wednesday, Nov. 20 at 2:00 p.m.** is free and open to the public. For more information about Ms. Danzig and her work, [click here](#).

Dunkin' Donuts @ADC

Last month the Frontage Road Dunkin Donuts in East Haven donated donuts and coffee for our members of ADC. They spent time serving each member and filled the ADC with

partner, [Music Haven](#) empowers young people through tuition-free music education, mentoring and performance increasing accessibility to all children. Mary Wade provides transportation for students, while Music Haven provides a series of concerts and performances especially for Mary Wade's clients and residents. Last month, in celebration of Hispanic Heritage Month, musicians played a selection of vivid, vibrant, and intricate music from Latin America.

Flu Season - Get Protected!

It's worth repeating! Get your annual flu shot and while you are at it, make sure your loved ones are protected too! The Centers for Disease Control (CDC) recommends that people get the flu vaccine before the end of October if possible. Getting vaccinated later, however, can still be beneficial and vaccinations can still be obtained throughout the flu season, even in December and January.

Sign in for Safety's Sake

Our new visitor sign in system is up and running! The AccuShield Visitor Management System has helped to increase security so that we know who is in the building at any given time and who they are visiting. All visitors, caregivers, vendors and businesses are required to sign into the new system with each visit. The Accushield System uses the visitor's phone number for identification purposes only. It is not used for any other purpose. The new sign in system prints name tags as well. Thank you for doing your part in ensuring a safe home for our residents!

joy!

Save the Date for the Holiday Bazaar

Santa has told us he plans to attend so we hope you will too! Raffles, bake sales and vendors with their specialty items for that special someone! If you would like to donate an item for the Mary Wade vendor table or if you have any questions, contact [Rosanne Mondrone](#). Stop by on Friday and Saturday, **December 6 & 7** for some Holiday Cheer!
